Location: Bungalow Zone,
Central Greens NIT, Faridabad

Star rating: The project offers a community lifestyle for senior citizens. It operates with a unique 1K proposition where all amenities for the elderly are available within a radius of one kilometre. A facility centre will provide senior citizens care and address all issues pertaining to them

Amit Vaidya,
managing director

Director: Amit Vaidya, an architect by profession, joined UCG Care Pvt Ltd in 2005. He is a member of the governing council of Shrishti, an NGO, that works for the education of underprivileged children. His desire to do something in an uncharted domain led him to set up a housing conclave for seniors called the Golden Estate

Future projects: The company has plans to come up with similar projects in Mohali, Bangalore and Hyderabad in the future

Vision & Mission

The company believes that elders should remain part of mainstream society and be in touch with the vibrant urban fabric of the city. It, therefore, has plans to set up facilities within major urban centres across the country for senior citizens and provide them with the best care, comfort and security
